

Herkimer County Food Processing Study Public Participation Session

Thursday, June 2, 2022
6:00 PM - 8:00 PM

Herkimer County Community College
Sarkus-Bush Theater
100 Reservoir Rd, Herkimer, NY 13350

The Herkimer County Industrial Development Agency (HCIDA), in partnership with KK&P, a NY-based food systems consultancy, will be hosting a public participation session to discuss the findings from a recently administered food processing study. Herkimer County received a Community Development Block Grant (CDBG) award, and the grant was used to conduct a study assessing economic development opportunities related to food processing and manufacturing within the county. The results of this food processing study are critical for Herkimer County and will aid in targeting and recruiting industries within the food manufacturing sector that could benefit from Herkimer County's many assets. Please join HCIDA and KK&P for the opportunity to share your thoughts and ideas, as well as contribute to the economic growth of the county.

For more information regarding this event, please contact Herkimer County IDA at 315-866-3000.
