Small Projects Fund

Village of Dolgeville, NY

Date: October 15, 2025

The Village of Dolgeville, in partnership with the Housing Trust Fund Corporation (HTFC), is pleased to announce the launch of the **Small Projects Fund**, made possible through a NY Forward Grant awarded by the HTFC. This initiative is designed to support the revitalization of Dolgeville's Main Street downtown by providing financial and technical assistance to eligible property and business owners within the NY Forward Target Area.

The Small Projects Fund will help bridge funding gaps for building facade and storefront renovations, business startup and expansion projects, and other improvements that contribute to the vibrancy and economic growth of the Village's Main Street core.

Priority will be given to projects that:

- *Are visually prominent in the downtown area*
- *Include renovation of upper-story apartments*
- *Preserve and reuse historic buildings at risk of being lost*
- *Help reduce blight and stabilize or grow a local business*
- *Will create jobs*
